Dear Parent/Guardian:

In response to the tragedy that occurred last week in an elementary school in Connecticut, we have made available on our website (www.caldwellschools.org), resources that parents can use as they talk to their children about this very sad event.

I want to reassure you that your child's school remains one of the safest places for them to be. And because safety is one of our highest priorities, all of our schools have an emergency management plan in place that enables us to respond immediately and effectively to events that might warrant an evacuation of the school, a security hold, a lock-down, etc. We work closely with law enforcement, our safe school aides, our Caldwell Police Department School Resource Officers, and other first responders to assure that your child's school is as safe and orderly as possible.

For all of us that serve your children, I thank you for your continued support, and on behalf of the Board of Trustees of the Caldwell School District—Chairman Chuck Stout , Vice-Chairman Amy Rojas, Trustees Leif Skyving, Tom Briten, and Sandy Dodson—I wish you and your family a happy holiday season and a prosperous new year.

Sincerely,

Tim Rosandick
Superintendent
